About

NITRRFIE and I-Cell

NIT Raipur Foundation for Innovation & Entrepreneurship (NITRRFIE) is a Section-8 (Gol Company's Act).

It aims to create and sustain an ecosystem and culture of innovation and entrepreneurship by providing support and the necessary facilities to the innovators through all the stages and steps of the entrepreneurial journey to help them succeed hence facilitating the transformation of innovations into successful enterprises contributing to the socio-economic development and well-being of the region and country.

Innovation Cell, NIT Raipur was formed in May 2018 under the supervision of Director and Head, Career Development Centre, NIT Raipur. It aims to inculcate the spirit of innovation and entrepreneurship amongst the students, and encourage and support innovations through guidance, mentorship, and support.

It encourages students to take up innovative projects with the possibility of commercialization.

Objective

A

The main objective of the event is to instill and nurture a mindset of innovation in students and to recognize and support successful innovations to become successful start-ups.

B

The Incubation Cell aims to Incubate 10 start-ups by the end of the event and lead them to success while encouraging and showcasing innovative spirit in various ways, and help innovators get inspiration, guidance, and funds through the various events to help bring their ideas to life.

The Pitching event

AVINYA

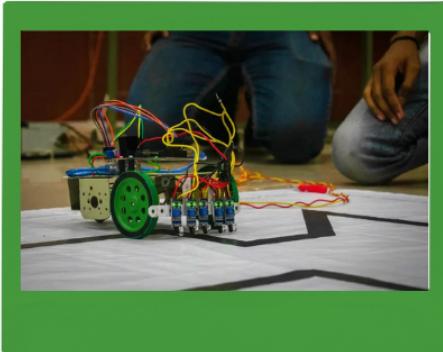

- AVINYA is going to be a three-day event focused on instilling and displaying innovation in various forms while providing guidance and a space to network.
- The event will provide a chance for various clubs and committees under the umbrella of NIT Raipur to participate and present innovation in their own terms.
- The ongoing research and innovative projects from all around the city will be displayed in our expo to intrigue and inspire the youth and spark
- The event will include Speaker-sessions by various powerful personalities from various unicorns and emerging start-ups to give them a real-world example of the path to success
- This technical event organized by Innovation Cell gives students the stage to present their creative ideas in front of industry experts
- Innovators have to create presentations and present their innovative ideas.
- Start-ups and the general public will participate in a demonstration investment environment using an application created by Innovation Cell containing virtual digital currency. Our audience using the app will bid on ideas. This is one of the most innovative ways to connect the audience and
- The pitchers who manage to get the most profits will be rewarded by getting a chance to be Incubated by the Incubation Cell,NITRRFIE, and receive mentorship, opportunities, and funds upto 10 Crore INR to lead their ideas to success.
- The purpose of our event is for our innovators to learn and experience how to present ideas in the best way possible to attract industry experts and capture the public's attention

THE INNOVATION EXPO

Witness the latest and most cutting-edge technologies showcased by around 25 innovators from across NIT Raipur and other parts of Chhattisgarh. It'd pique the curiosity of students as they explore the potential of emerging technologies and innovations.

Agriculture Automation	Smart Street lighting	Driver face monitoring
Robotic Arm	Smart Ventilator	3D Printing,,,
Automated attendance	Automated Drip monitoring	Iris computer controlling
Firebot	EV automatic charging	

OPEN DAY

img000.jpg

- □ ×

A very popular and well-established concept in IISc and foreign universities, open day is all about bringing the deep intense research work and innovations from labs to the public.

The Audience of AVINYA consists of students from other technical colleges and High schools.

What's more inspiring and awe striking than getting exposed all the interesting research and innovation going in one of the most prestigious institutes of India?

This also gives a chance for PhD scholars to interact and explain their work to general public. They can get the feedback and of course, Motivation, looking at all the youngsters being enthusiastic.

OUTLINE OF THE EVENTS

- Inauguration and Speech
- Talk I
- High Tea and Networking
- Talk II
- Lunch and Exhibition
- Events by other Clubs and Committees
- Pitching Events
